The Challenge:

We are **challenging** our supporters to donate from as little as **R100 per month** toward the Lucky Lucy Foundation so that we can continue rehabilitating and caring for the severely neglected and abused dogs and cats in our care.

By sponsoring the Lucky Lucy Foundation you enable us to continue our 24/7 commitment to every rescued animal and to the place they call their sanctuary.

Your monthly support will help the animals we care for. We will call you a Lucky Lucy Guardian Angel and with your help, we will make sure that they get the medical care, time, affection and attention that they need to heal. Your monthly donations will give new life to these deserving animals.
