## WHY DO WE NEED YOUR FINANCIAL CONTRIBUTION?

When you sign up to make a monthly tax- deductible monthly donation, you are ensuring that we have the resources to give every animal food, shelter, love and medical care while they await their forever homes. The work we do at the Foundation is funded entirely by public donations. Your support is therefore vital if we are to make a lasting difference to the animals' lives who we have the privilege to save. Your gift today - whatever sum you choose to give - will help us save animals from suffering and give them the expert treatment and care they need.

On average it costs the Foundation approximately R150 000 per month to run our Sanctuary, that covers the basic necessities. In addition we often have additional expenses in terms of emergency medical treatment and sterilisations for the animals in our underprivileged communities.

All your donations go directly to our Foundation and are completely tax-deductible. As always, **THANK YOU**, for your support and confidence in our Foundation and the work we do on a daily basis.
